Board of Directors Policy #14
Review of Policy

Club policies, as established by the Board of Directors, shall be subject to a mandatory periodic review by the Board.

Policy review shall result in the reaffirmation, amendment (amended or revised) or elimination of reviewed policy. A policy which is reaffirmed or amended shall be dated and signed by all members of the Board of Directors. Any policy which is eliminated shall be designated as such on its record copy and then dated and signed by all members of the Board of Directors.

At a minimum each individual policy shall be reviewed and acted upon in the third fiscal year following the fiscal year of its enactment or last review.

Policy shall remain in full effect until amended or eliminated in accordance with the process described herein.

The Chairperson shall be responsible for maintaining an official file of Policies, which includes, an index with the date of the last review action. The Chairperson shall be responsible for scheduling the required policy review during his/her term. Policy reviews shall be scheduled through meeting agendas and will be distributed prior to the meeting.

An existing policy may be called for review by means of the same procedure as is required for the establishment of policy, after which the review process shall be described herein.
