BOARD OF DIRECTORS POLICY #22

Membership Classes

The classes of membership are as follow:

1. Single – Single membership entitles an adult individual to participate in all club trips, activities and other functions at the member price. It also entitles the individual to receive the club newsletter and to vote in club elections.
2. Couple/Family – Couple membership entitles two adults, both listed on the same membership application, to participate in all club trips, activities and other functions at the member price. It also entitles them to receive the club newsletter and each adult may vote in club elections. Family Membership entitles one or two adults listed on the same membership application, to participate in all club trips, activities and other functions at the member price. Children under the adult(s) guardianship are entitled to participate in trips and activities designated as family oriented. It also entitles the family to receive the club newsletter and the adults to vote in club elections.
3. Reciprocal Membership – Member in good standing with an affiliated ski club is eligible for a limited time membership, for a single trip or activity.
